DAD as a new generation of decentralized advertising public chain, has made advertising data more open and transparent, so that advertisers are able to know where their money is spent without infringing

on users' privacy.

### DAD

"Dad" is definitely one of the most touching movies I have ever seen. I have seen this movie several times, and every time I cry at the end! The son lives far away and is so obsessed with work that he has not been home to see his elderly parents much in recent years.
