The first 60 pages of E-Cubed present the theories that Pam Grout wants us to prove through her experiments. Like Pam, these are more than theories to me; they are more like a way of life. But for many, they are new (possibly disturbing) ideas that contradict many (most) mainstream teachings.

E-Squared, the international hit sensation described by one reader as "The Secret on crack," provided the training wheels, the baby steps, to "really getting it" that thoughts create reality. In E-Cubed (don't worry—there will never be E to the 10th Power), Pam Grout takes you higher and deeper into the quantum field, where you'll prove that blessings and miracles are natural and that joy is only a thought away. With nine new experiments and more tips on how to keep the gates of the world's largesse and abundance wide open, this book is chock-full of incontrovertible evidence that the universe is just waiting for us to catch up, just waiting for us to begin using the energy that has always been available for our enjoyment and well-being.

E-Squared is the sensational word-of-mouth SMASH that has gone on to become an international phenomenon, published in 26 languages and featured in the New York Times bestseller list! E-Squared could best be described as a lab manual with simple experiments that prove reality is malleable, consciousness trumps matter, and you shape your life with your mind. Yes, you read that right. It says prove. The nine experiments, each of which can be conducted with absolutely no money and very little time expenditure, demonstrate that spiritual principles are as dependable as gravity, as consistent as Newton's laws of motion. Rather than take it on faith, E-Squared invites you to prove the following principles:

- There is an invisible energy force or field of infinite possibilities.
- You impact the field and draw from it according to your beliefs and expectations.
- Your connection to the field provides accurate and unlimited guidance.
- The universe is limitless, abundant, and strangely accommodating.

E-Squared is the remarkable truth that spiritual seekers have been looking for over the centuries. Discover why everyone is talking about it TODAY!

ACIM, the Fun Version! A real-world rewrite of the lessons of A Course in Miracles by the #1 New York Times best-selling author of E-Squared. A Course in Miracles is profound, deeply moving, and as boring to read as a bookshelf assembly manual. Ask for a show of hands at any self-help gathering, and 95 percent will happily admit to owning the dense blue book that's a famous resource for spiritual transformation. Ask the obvious follow-up, "How many have actually read it?" and all but a smattering of hands go down. It's as if everyone wants the miracles, the forgiveness, and the mind shifts, but they just can't bear its ponderous heaviness. Pam Grout to the rescue! Her new book is for all those still struggling with the Course. Grout offers a modern-day rewrite of the 365-lesson workbook—the text at the heart of the Course. Unlike the original, it's user-friendly, accessible and easy for everyone to understand. In daily lessons with titles like "The Home Depot of Spiritual Practices" and "Transcending the Chatty Asshat in My Head," Grout drills down to the Course's essential message and meaning, grounding it in the context of everyday life in a way that's bound to stick. The lessons here blend eternal truths with pop culture and personal stories that are laugh-out-loud funny and deeply soul-stirring, often at the same time. You won't be tempted to use this Course in Miracles as a doorstop. You'll want to use it, every day, to change your life.

Important disclaimer: This book is not for everyone—just those who want to have more fun, more adventures, and more magic in their life. Thank & Grow Rich is for anyone interested in hooking up with the magnanimous energy field of the cosmos. Author Pam Grout, who likes to call herself the Warren Buffet of Happiness, says it all starts with getting on the frequency of joy and gratitude. Thanking (rather than thinking) puts us on an energetic frequency—a vibration—that calls in miracles. Science has proven that when we observe the world from a place of gratitude, when we use our attention to spot beauty and gaze at wonder, we develop the capacity to radically rev up our day-to-day experience. Brazen gratitude, it seems, provides a portal—an entry point—straight into the heart of the field of infinite possibilities described in Grout's bestseller E-Squared. This book also offers an updated perspective on abundance, which goes way beyond financial capital. It shows readers how to grow and expand their creative capital, their social capital, their spiritual capital, and much, much more! There's even an abundance worksheet that tracks your thank-and-grow rich portfolio and a money-back guarantee offering four personalized gifts straight from the always-accommodating universe. Your credit union might offer a butter dish or a koozie, but an investment in this book comes with your own personal sign from the universe, an answer to an important question, a customized totem, and a one-of-a-kind gift from the natural world. But more importantly, this 30-day experiment will upgrade your life experience from ho-hum to wahoo! From like sucks to life rocks! From woe is me to yippie-ti-yi-yay!!

If you're holding this book in your hand, then you've already changed your life. Are you still waiting for your ship to come in? Looking for the relationship you can't seem to find? Working just to pay the bills until that perfect job comes along? Don't you wish that you could just place an order for the life that you want? Well, you can! And you don't have to chant, meditate, pray, fast, work, or do anything—just relax. And there won't be any bill to pay. Seems impossible? That's what the author said: "If, after reading this book, you think that cosmic ordering is total nonsense, but you decide to place an order with the universe anyway just to prove me wrong, then you have subscribed to this ordering service just the way I first did. And you just might start as wonderful a journey towards an easier, more fulfilling life." The Cosmic Ordering Service is a guide to realizing your dreams. Best-selling author Barbel Mohr can teach you how to fulfill all your wishes—just by placing an order with the universe. You'll learn how she has used the Cosmic Ordering Service to gain her dream job, the ideal man, money, health—even a castle to live in! Mohr will show you, as she has taught hundreds of thousands of European readers, how to listen to your inner voice, place your order, sit back, and let marvelous things happen. The hard part is deciding what you really want. Once you've figured that out, this charming, witty, and insightful book is going to tell how to get it.

With her trademark humor, enthusiasm, and no-nonsense guidance, #1 New York Times bestselling author of E-Squared Pam Grout invites you on a yearlong "apprenticeship" to recognize and unleash your innate creativity. Making art does not necessarily mean painting a gallery-worthy still life or belting out a Grammy-winning song. It simply means finding a way to give your inner muse a voice in this world. Sure, there's drawing, dancing, singing, and writing. But there's also art to be made from creating your own pair of angel wings or inventing a new toy or curating your own at-home film festival. Each week features a project of self-examination, an inspirational message, a real-world example of a celebrity who has addressed similar obstacles, and three zany activities to awaken your infinite creativity. It's time to declare the beat of your own drum.

"This is the story of a year I spent in New York, studying with Yoga Master Alan Finger." When Katrina Repka moved to New York, she was eager to shed her past and begin a new life, but she soon discovered that her old problems had followed her to the big city, and that instead of finding herself, she was more lost than ever. It was when she was almost ready to give up on everything that she read a magazine article on Master Yogi Alan Finger and knew that she had to meet him. It was a meeting that would change her life. Over the next twelve months, with Alan's help, Katrina tackled and overcame many of the obstacles holding her back. Dealing with issues that every woman will relate to--criticism, emptiness, balance, family, and creativity (among others)--the twelve chapters in *Breathing Space* follow Katrina's ups and downs in New York. At the end of each chapter there is a simple but effective breathing exercise that will help readers eliminate harmful behavior patterns and speed their own process of personal transformation. *Breathing Space* is an inspiring and instructive book that offers every woman the chance to follow the author's path and become the person she truly wants and deserves to be.

From the afterlife—a new perspective on your life "I know this may come as a shock, and you know I ' m not fond of using stale one-liners, but— ' reports of my death have been greatly exaggerated. ' I ' m as alive now as I was on the day we met, except, maybe, more so." If the dead could speak, don ' t you wonder what they would say to those of us they ' ve left behind? What would they tell us to soothe our sorrow for their loss, calm our fears of what happens when we die, and fire us up to live the best possible lives we can right now? In pages filled with wisdom, humor, and, yes, joy, New York Times best-selling author Mike Dooley explores our most pressing and profound questions about the afterlife—and this life—from the fresh perspective of those who have made the transition to the next phase. Among the revelations and insights they share: · We were ready; you are not. · There ' s no such thing as a devil or hell. · We ' re sorry for any pain we may have caused. · Your pets are just as crazy, brilliant, and loving here as they were there. · Nothing we say can prepare you for the beauty of the moment you arrive. You ' ll learn that our loved ones are not lost to us; that our time on earth is both a school and an adventure; that, all appearances to the contrary, life truly is fair; and that we have it in us to reshape our own fortunes, starting today.
