This book charts contemporary illustration's rich history: from the rampant idealism of the 1960s to the bleak realism of the 1970s, and from the over-blown consumerism of the 1980s to the digital explosion of the 1990s, followed by the increasing diversification of illustration in the early twenty-first century. The book explores the contexts in which the discipline has operated and looks historically, sociologically, politically, and culturally at the key factors at play across each decade, while artworks by key illustrators bring the decade to life. Contemporary illustration's impact and influence on design and popular culture are investigated through introductory essays and profiles of leading practitioners, illustrated

with examples of the finest work.

Bessie Pease Gutmann was a premier illustrator during the first half of the twentieth century. She embodies the feel and subject matter that has come to be associated with women illustrators of that period. This visual masterpiece contains more full-color photography of Gutmann's work than all other previous Gutmann publications, and is accompanied by the most complete pricing to her work ever offered. Some of the works shown are so rare that this book provides their only publication outside of hard-to-find antique art print catalogs. The magnificent imagery of this book will make it a wonderful addition to anyone's art library.

RENOWNED ARTIST R. O. BLECHMAN'S illustrations are instantly recognizable. For more than fifty years, his work has appeared on the covers of *The New Yorker*, run alongside op-eds in *The New York Times*, graced the pages of *Harper's Bazaar*, and, more recently, been featured on *The Huffington Post*, providing unspoken commentary on the world at large. In *Dear James*, Blechman has compiled all the wisdom he has accumulated over the course of his esteemed career into a series of poignant yet instructive letters written to an imagined young illustrator, "James." The result is a wise and mesmerizing meditation on creativity. Flush with wit and candor, Blechman's correspondence delves into his own trash can of false starts and failed beginnings, in addition to his artistic triumphs, to offer James both encouragement and criticism. He urges him to reach his potential as an artist, advising him on practical aspects -- proper technique, choice of work environments, dealing with editors

Download Free Fifty Years Of Illustration

-- and along the way provides invaluable insights on art, and life, that lay bare the challenges James will face as he aims to be successful in this demanding field. In the tradition of Rilke's Letters to a Young Poet, Dear James is an indispensable tool for any up-and-coming creative person looking for advice and inspiration, as well as a memorable read for those daring enough to chase their dreams.

Smith's narrative relates not only his personal experiences, but also includes many anecdotes about other Kentucky slaves and masters. Many of his stories are humorous and pleasant, relating to sporting adventures and leisure activities. Others, however, relate instances of neglect, violence, and the mistreatment of slaves by their masters and other white authorities. Although Smith's narrative focuses primarily on slave family life on large plantations, it also highlights the interactions between whites and blacks, and the dynamics of those relationships.

History of Illustration' covers image-making and print history from around the world, spanning from the ancient to the modern. Hundreds of color images show illustrations within their social, cultural, and technical context, while they are ordered from the past to the present. Readers will be able to analyze images for their displayed techniques, cultural standards, and ideas to appreciate the art form. This essential guide is the first history of illustration written by an international team of illustration historians, practitioners, and educators.

The Fundamentals of Illustration 2nd Edition by Lawrence Zeegen introduces students to the subject of illustration, taking them through the key skills and practical processes required for the study of this exciting degree course. This edition has been updated with a wealth of fresh visuals and contemporary case studies. It includes new and revised content and examples that reflect the changes and developments in the discipline over the past few years. Current visual approaches are examined and evaluated, along with new chapters on visual thinking, idea generation and the illustrator as an artist. A chapter on the professional practice of a freelance designer helps students to understand the realities of this creative career path. Each chapter concludes with a case study, which outlines a brief and then describes each stage of the process, from the illustrator's initial response to the completion of the project. The case studies feature the work of: John Clementson, Tim Vyner, Olivier Kugler, Damian Gascoigne, Ben Kelly and Howard Read. The book also contains a series of interviews with practising illustrators such as Autumn Whitehurst, Stina Persson and Anthony Burrill.

Carole A. Feuerman is one of the founding members of the hyperrealist movement in American sculpture that began in the 1970s and continues to capture the attention and acclaim of both the public and prominent art critics to the present day. After an early commercial career in illustration, Feuerman rose to fame as one of just three artists, including Duane Hanson and John De Andrea, who portrayed their models precisely as they were. Her works--especially the lifelike portrayals of swimmers for which she is best known--have been displayed in numerous group shows and solo exhibitions at museums and art fairs worldwide. The most comprehensive survey of Feuerman's work to date, Carole

Download Free Fifty Years Of Illustration

A. Feuerman: *Fifty Years of Looking Good* is lavishly illustrated with 120 color photographs. Over five decades, Feuerman has worked in a variety of materials and media, including marble, bronze, vinyl, resin, and stainless steel, and her work is marked by a thorough mastery of each. Her most common subject is the female figure--often depicted in a moment of quiet and sometimes sensual introspection. Her sculptures evoke a female state of mind rather than an alluring body meant to attract the male gaze. They suggest that women see themselves differently than men see them, as more innately instinctive.

A fascinating, beautiful, and definitive account of the life of esteemed artist Helen Oxenbury. Filled with insights that span Helen Oxenbury's life -- from her early childhood through a career in children's books that started in the 1960s and is still going strong today -- here is an exquisitely designed and thoroughly entertaining celebration of one of the finest illustrators of our time. Written by acclaimed author Leonard S. Marcus, *Helen Oxenbury: A Life in Illustration* is a keepsake that is sure to engage and delight everyone from scholars to art aficionados, as well as the many fans who have grown up with Helen Oxenbury's enchanting books.

For more than fifty years, Walter Bernard and Milton Glaser have revolutionized the look of magazine journalism. In *Mag Men*, Bernard and Glaser recount their storied careers, offering insiders' perspective on some of the most iconic design work of the twentieth century. The authors look back on and analyze some of their most important and compelling projects, from the creation of *New York* magazine to redesigns of such publications as *Time*, *Fortune*,

Download Free Fifty Years Of Illustration

Paris Match, and The Nation, explaining how their designs complemented a story and shaped the visual identity of a magazine. Richly illustrated with the covers and interiors that defined their careers, *Mag Men* is bursting with vivid examples of Bernard and Glaser 's work, designed to encapsulate their distinctive approach to visual storytelling and capture the major events and trends of the past half century. Highlighting the importance of collaboration in magazine journalism, Bernard and Glaser detail their relationships with a variety of writers, editors, and artists, including Nora Ephron, Tom Wolfe, Gail Sheehy, David Levine, Seymour Chwast, Katherine Graham, Clay Felker, and Katrina vanden Heuvel. The book features a foreword by Gloria Steinem, who reflects on her work in magazines and her collaborations with Bernard and Glaser. At a time when uncertainty continues to cloud the future of print journalism, *Mag Men* offers not only a personal history from two of its most innovative figures but also a reminder and celebration of the visual impact and sense of style that only magazines can offer.

(Book). Featuring: * Forty-six illustrations of Grateful Dead art featured in Relix magazine * Single-sided printing on high-quality paper to reduce the chance of bleed-through * Perforated removable sheets that are easy to frame or share at coloring parties * An introduction about the artist, Gary Kroman, by Dead Relix founder, Leslie D. Kippel
