Internationally known marketing expert Al Ries has the answer: focus. His commonsense approach to business management is founded on the premise that long-lasting success depends on focusing on core products and eschewing the temptation to diversify into unrelated enterprises. Using real world examples, Ries shows that in industry after industry, it is the companies that resist diversification, and focus instead on owning a category in consumers' minds, that dominate their markets.

~~3 Top Reasons Why You Should Focus on the Future – Live By Why~~

If the company is expertise in one area, it should focus on it. Concentrate on that area will make it easier for them to have greater achievement. If the company insist on spending time on the areas that it is not good at, it is equal to wasting time and money. Focus! The future of your company and you depend on it!

~~Focus: The Future of Your Company Depends on It: Ries, Al ...~~

The COVID-19 pandemic – in little more than the blink of an eye – has inflicted sweeping changes across the entire retail landscape; shuttering stores worldwide, accelerating technology innovation and adoption, it has also brought into sharp focus the role that brands play in our day-to-day lives.

~~The future of sports retail – Retail Focus~~

Focus is a simple but powerful concept. Not only does it make for spectacular business strategy, but investment choices, and the structure of your personal/professional life as well. If you ever feel like weight of your ambitions and varied endeavors is detracting from your achievements, a little focus must be in order.
