Forget Me Not is the first book in a private detective mystery series, that is a good, clean version of a noir detective novel. Mark Kane is an idea protagonist in this mystery, he fits the private detective character down to the last detail. I also like the details that are put into this so it's a very realistic procedural.

Mark Kane takes his time checking the identity of a woman who stands to gain a large inheritance. Lots of gentle rumination about who could have done what. Far too much tedious detail on every cup of coffee he drinks. Accurately spelled and punctuated, it's not a bad story but it never gets out of second gear.

The remainder of the chapters is recounted in first person, PI Mark Kane 's narrative interspersed with conversations that Kane replays for the reader. The plot line progresses smoothly in real time drawing the investigation to its inevitable conclusion. I enjoyed reading FORGET ME NOT twice: initially at an " I must know what happened " pace, and then subsequently at a deliberately slower ...

" Forget Me Not " peaked at #5 in Vancouver (BC). Back in the UK it peaked at #3. Kane 's next Top Ten hit in the UK was a cover of the 1931 pop standard " I Don 't Know Why " . It was made popular by American bandleader Wayne King who took the song, set to a fox trot, to #2 on the American pop charts in ' 31 .
