"Once upon a Time" Is Timeless The year is 1880, and Bertie, having just arrived in New York with her family, is grateful to be given work as a seamstress in the home of textile tycoon J. P. Wellington. When the Wellington family fortune is threatened, Bertie's father boasts that Bertie will save the business, that she is so skillful she can

"practically spin straw into gold."

Amazingly, in the course of one night, Bertie creates exquisite evening gowns -- with the help of Ray Stalls, a man from her tenement who uses an old spinning wheel to create dresses that are woven with crimson thread and look as though they are spun with real

In this dangerously sexy novel from the New York Times bestselling author of *Find You in the Dark*, a straight-laced college student meets a handsome but enigmatic stranger who lures her into an underground club scene, where she finds it difficult to resist temptation... Aubrey Duncan understands loss. She knows what rock bottom looks like, and she is determined to crawl back up to the top after the sudden death of her younger sister. She blames herself for her part in the tragedy, convinced that she could have done something, anything, to help her. In her effort to gain redemption, Aubrey starts fresh at Longwood University and facilitates an addiction support group, hoping she can support someone else in the

way she failed her sister. But what she doesn't count on is an all-consuming fascination with group member Maxx Demelo, a gorgeous, blond, blue-eyed enigma who hides dark secrets behind a carefully constructed mask. He only reveals what he wants others to see. But Aubrey glimpses another Maxx hidden below the surface—a Maxx who is drowning in his own personal hell. As Aubrey and Maxx develop an attraction too intense to ignore, he pulls her into the dark underbelly of the city club scene, where she is torn by her desire to save him and an inexplicable urge to join him in his downward spiral. Worst of all, she is beginning to love everything she should run away from—a man who threatens to ignite in her a fire that could burn her alive...

The cataclysm began more than a century earlier, when the King of Ayr died before naming an heir to the throne, and damned his realm to chaos. The cold-blooded conspiracies of the Renne and the Wills—each family desirous of the prize of rule—would sunder the one kingdom, and spawn generations of hatred and discord. Now Toren Renne, leader of his great and troubled house, dreams of peace—a valiant desire that has spawned hostility among his kinsmen, and vicious internal plots against his life. In the opposing domain, Elise Wills's desire for freedom is to be crushed, as an unwanted marriage to an ambitious and sinister lord looms large. As always, these machinations of nobles are affecting the everyday lives of the common folk—and

feeding a bonfire of animosity that has now trapped an unsuspecting young Valeman Tam and two fortune-hunting friends from the North in its high, killing flames. But the closer Toren comes to achieving his great goal of uniting two enemy houses, the more treachery flowers. Nobles and mystics alike conspire to keep the realm divided, knowing that only in times of strife can their power grow. And perhaps the source of an unending misery lies before an old king's passing, beyond the scope of history, somewhere lost in a fog of myth and magic roiling about an ancient enchanter named Wyr—who bequeathed to his children terrible gifts that would poison their lives...and their deaths. It is a cursed past and malevolent sorcery that truly hold the land, its people, and its would-be rulers bound. And before the already savaged kingdom can become one again, all Ayr will drown in a sea of blood.
