I've made this recipe several times and it's always been delicious, a real crowd pleaser. There are a lot of ingredients, some of which I wouldn't have thought to include, but I love the richness and the way the flavours blend, particularly the tomato puree, stout, mustard and cheese, which while didn't taste individually blended to make a great combo.

First he seeks street food in London's ever-immigrants-swamped East End, where his ancestors ran one of the many, often innovative food stalls or restaurants. In Essex, where his family moved to a seaside resort, Jamie buys North Sea shrimp, sole and mollusks to treat his family to his version of traditional beach food.
