Throughout human history,
wars and violence have
often been waged in the name

Online Library Kubota Bx22 Parts Manual

of religions and in the name
of diverging religious
beliefs and belonging.
Ironically, though, all
religions in their teachings
speak of nonviolence and
have in common the promotion
of peace and justice, namely

Online Library Kubota Bx22 Parts Manual

therespect of human life and dignity, the institution of humanrights, the protection of the poor and vulnerable, the freeing ofthe oppressed, the active elimination of injustice? It seemstherefore, that

Online Library Kubota Bx22 Parts Manual

violence and wars would be antithetical to religions; yet they are so frequently used as their justification. Are we then speaking of different "religions"? "Institutional religions," the ones

Online Library Kubota Bx22 Parts Manual

structured by humans and that
are brandished to lead
violence and wars, become
in fact quite foreign to the
essence of the religions as
they were established by
their founders and that they
intend to represent; they

Online Library Kubota Bx22 Parts Manual

actually contribute to their destruction. Wanting to reflect on that point, I embarked, a few years ago, on giving voice to local religious individuals, whom I called "Religious Peacemakers," and who, each

Online Library Kubota Bx22 Parts Manual

by living the essential
teachings of their
particular faith,
contributed by their actions
to peace and justice. I
wanted to prove that their
path, irrespective of their
original religion, would be

Online Library Kubota Bx22 Parts Manual

similar, and that their
diverse faith, instead of
separating them, would on
the contrary end up uniting
them.
