"Having been born a freeman, and for more than thirty years enjoyed the blessings of liberty in a free State—and having at the end of that time been kidnapped and sold into Slavery, where I remained, until happily rescued in the month of January, 1853, after a bondage of twelve years—it has been suggested that an account of my life and fortunes would not be uninteresting to the public." -an excerpt

Joumana Accad, creator of the blog TasteOfBeirut.com, is a native Lebanese, a trained pastry chef, and professional caterer. In her debut cookbook, the The Taste of Beirut, she shares her heritage through exquisite food and anecdotes, teaching anyone from newbies to foodies how to master traditional Lebanese cuisine. With over 150 recipes inspired by her Teta (grandmother) in their family's kitchen, Accad captures the fabulous flavors of the

Alice in Wonderland (also known as Alice's Adventures in Wonderland), from 1865, is the peculiar and imaginative tale of a girl who falls down a rabbit-hole into a bizarre world of eccentric and unusual creatures. Lewis Carroll's prominent example of the genre of "literary nonsense" has endured in popularity with its clever way of playing with logic and a narrative structure that has influence generations of fiction writing.

This “dazzling” novel follows a family of English aristocrats as their country teeters on the brink of World War II (Penelope Fitzgerald). As war clouds gather on the distant horizon, Hugh, Edward, and Rupert Cazalet, along with their wives, children, and loyal servants, prepare to leave London for their annual pilgrimage to the family’s Sussex estate. There, they will join their parents, William and Kitty, and sister, Rachel, at Home Place, the sprawling retreat where the three brothers hope to spend an idyllic summer of years gone by. But the First World War has left indelible scars. Hugh, the eldest of his siblings, was wounded in France and is haunted both by recurring nightmares of battle and the prospect of another war. Edward adores his wife, Villy, a former dancer searching for meaning in life, yet he’s incapable of remaining faithful to her. Rupert desires only to fulfill his potential as a painter, but

finds that love and art cannot coexist. And devoted daughter Rachel discovers the joys—and limitations—of intimacy with another woman. A candid portrait of British life in the late 1930s and a sweeping depiction of a world on the brink of war, *The Light Years* is a must-read for fans of *Downton Abbey*. Three generations of the Cazalet family come to unforgettable dramatic life in this saga about England during the last century—and the long-held values and cherished traditions that would soon disappear forever.

” A meditation on yearning, solitude, and self; a soul storm, a mirage of phantom figures . . . a book of deep reckoning. ”  
—The New York Times Book Review *The #1 international bestselling phenomenon—a profound and riveting story of love, loss, and memory. A man at a crossroads in the middle of his life considers the place where*

he ' s from, and where his parents have recently died. In the face of enormous personal tumult, he sits down to write. What follows is an audacious chronicle of his childhood and an unsparing account of his life ' s trials, failures, and triumphs that becomes a moving look at what family gives and takes away. With the intimacy of a diarist, he reckons with the ghosts of his parents and the current specters of his divorce, his children, his career, and his addictions. In unswervingly honest prose, Vilas explores his identity after great loss—what is a person without a marriage or without parents? What is a person when faced with memories alone? Already an acclaimed poet and novelist in Spain, Vilas takes his work to a whole new level with this autobiographical novel; critics have called it “ a work of art able to cauterize pain. ” Elegiac and searching, Ordesa is a meditation on loss and a powerful
