J. R. O'Neill draws on his experience growing up in an alcoholic family and on his more recent journey through the dark valley of depression to create poetic portraits for psychospiritual growth and maturity. These sanctified memories--together with many other spirit-captivating encounters with God in biblical stories, nature, and community--make this a good read for anyone interested in feeding the soul, and especially for those lost in or emerging from the shadows of depression or addiction.

In the small Oregon coastal town of Blue Whale Cove, residents appreciate the safety and comfort that comes with everyone knowing everyone else. There isn't much excitement, and people like it that way, which is why a string of burglaries rocks the entire town. When an expensive Fabergé egg pendant goes missing, the town residents are unsettled but largely unconcerned. As the burglaries continue and it becomes clear that the burglar must have intimate knowledge of the town, its residents and their possessions, the residents experience the unfamiliar sting of fear. Elnora Landlin is a second-generation Blue Whale Cove resident who finds herself torn between the desire to continue her normal life and the desire to make sense of what is happening in her small town. Even as chance sets her on a path that could lead to answers, she finds herself wondering whether she is simply chasing shadows and pretty things.

Herman Mendoza built his kingdom in Queens, New York. He made a fortune selling cocaine with his brothers up and down the Eastern Seaboard. He had apartments around the city for his mistresses and a home in the Poconos for his beautiful nuclear family. But when he and his brothers were busted in a large-scale crackdown, his kingdom crumbled. Ready to kill himself rather than live behind bars, Herman instead came face-to-face with the all-consuming love of God. He would never be the same. Today, Herman shares his story at every opportunity, knowing that it may play a part in someone else's journey into a relationship with Jesus. An engaging and fast-paced read, *Shifting Shadows* offers hope to those in despair, and shows all of us the lengths to which God will go to bring a troubled soul home.
