You can use your picture dictionary for a great listening activity in class provided everyone in your class has the same book. Choose a random page in the book, and describe to your students what you see there. You might want to use the vocabulary supplied at the bottom of the page, or you may want to keep your descriptions more general.

Picture dictionary games and activities
Successful ideas for using picture dictionaries for fun activities with your students. A picture dictionary is a great resource, but it is sometimes difficult to know how to actually use it in class and so whether it is worth investing in a class set rather than just having it as a self-study tool.
