Interpreting Essay Questions. The first step with an essay question is to identify what exactly you are being asked to do. Most essay questions contain directives as to what is required, and the most common ones are defined below. For those we have missed, try looking up the actual word in the dictionary (www.m-w.com).

Visual art poses the question of the status of knowledge. The anti-traditional nature of contemporary visual art means that there is no accompanying stable or substantive body of knowledge, but rather a plethora of theoretical and critical texts which ebb and flow around and within the art.

Contemporary Art and the Role of Interpretation – Tate ...

An interpretive question calls for a careful assessment of what the author means in a work. To decide whether a question is interpretive, students should try to write two different answers to it, supporting each answer with evidence from the selection. The question should express genuine doubt and curiosity.
