AutoCAD 2015 for Interior Design and Space Planning helps students understand the commands and features of AutoCAD 2015 and demonstrates how to use the program to complete interior design and space planning projects. Covering both two- and three-dimensional drawings, the text provides abundant exercises that walk students step-by-step through the use of AutoCAD prompts and commands. Using numerous illustrations, the text captures the essence of this powerful program and the importance it plays in the interior design, architecture and space planning professions. Features include: · Covers new AutoCAD 2015 interface · Progresses from basic commands to complex drawing exercises. · Provides over 100 exercises and projects. · Highlights seven projects appropriate for interior design, space planning and architecture students. · Includes coverage of the AutoCAD DesignCenter · Covers solid modeling in two chapters

An experienced teacher and author, Carol Behrman helps students develop the sound foundation they need to become proficient writers throughout their lives. Included are a variety of easy-to-use reproducible activity sheets to provide review and application of basic language skills as well as extensive practice in producing the types of writing called for in standardized tests. The steps of the writing process are emphasized throughout. Each set of activities is accompanied by detailed lesson plans and suggestions to the teacher for presenting and implementing the skills and concepts being addressed. Each section is followed by a practice test focusing on the concepts and skills covered in the section, plus answer keys and scoring guides with writing samples. These practical tests will help students prepare for the types of questions they will be asked on actual tests.

This unique and timely resource gives writing teachers over 250 ready-to-use activity sheets to correct 101 of the most frequent errors made by students in grades 4-12. For each error, it provides two or more reproducible activities based on the writing process to help students understand and correct that problem. These can be completed independently with minimal teacher supervision and include solution keys for self-correction and evaluation. To assure easy use, materials are printed in a big 8-1/4" x 11" lay-flat binding that opens flat for photocopying. The book is organized into eight sections, including Word Usage Help, Punctuation Help, Spelling Help, Grammar Help, Sentence Writing Help, Paragraph Help, Essay Writing Help, and Letter Writing Help.

Here's a unique collection of 340 reproducible writing process activity sheets that capitalize on students' natural interest in holidays and special events while reinforcing your writing skills curriculum! Organized into ten monthly sections, September through June, each month including over 30 writing activity sheets like these for November: Athletic Words (sentence writing), Last Leaf on the Tree (paragraph writing), and World Without TV (essay writing).
