This manual helps medium and large law firms increase productivity by providing a model manual for law office policies and procedures. The book, an updated and expanded version of the previous (fourth) edition, is divided into seventeen sections, covering such topics as law office organization, management, and administration, support personnel, office polices, personnel policies and benefits, office security and emergency procedures, financial management, file systems, technology, and communications systems. The book contains numerous sample forms and documents, as well as extensive bibliographies. A CD containing the entire text of the manual is included, allowing customization of the manual for particular user needs.

A guide to coffee covers its history, including the evolution of coffehouses and other aspects of coffee culture, along with recipes for different kinds of coffee and desserts.

If coffee is the foundation of your food pyramid, then this is your book. Inspired by Ryoko Iwata's popular Web site, I Love Coffee (en.ilovecoffee.jp), Coffee Gives Me Superpowers is overflowing with infographics and fun, interesting facts about the most awesome beverage on earth written by Ryoko, a Japanese coffee-lover living in Seattle. The book includes the most popular pieces on the site, such as "Your Brain on Beer vs. Coffee," "10 Coffee Myths," "The Best Time of Day to Drink Coffee (According to Science)," and "10 Things You Probably Didn't Know about Caffeine," plus 25 percent new, original material that is available only in this book.

Grasp God’s Word in sixty-six easy verses The Bible can seem like a big, intimidating book—mysterious, archaic, and often hard to understand. Written over a span of fifteen hundred years, and completed nearly two millennia ago, God’s Word sometimes feels like a mishmash of stories and literary styles. How can twenty-first-century readers—like you—make sense of it all? Author Stan Guthrie’s answer: begin by zooming in on one key verse for each of the Bible’s sixty-six books. Seeking to bring clarity and simplicity to the study of God’s Word, Guthrie has written a concise, easy-to-digest collection of wisdom anchored by one verse for each book, from Genesis to Revelation—a verse that summarizes or lays the foundation for that book, placing it in context with the rest of the Scriptures. Read this book, and you’ll feel as if you’ve read the entire Bible—but you’ll also yearn to continue exploring its depths and mining its riches on your own.

Presents a collection of recipes for a variety of hot and cold coffee beverages, baked goods, and desserts.

"provides a number of implementation details that will be helpful to anyone following up on PURR-PUSS (PP). The book has an excellent index and a substantial bibliography".Computing Reviews, 1999

The Ultimate Fighting Champion Hall of Famer tells his story in this no-holds-barred memoir—featuring a bonus chapter in this updated American edition. In Quitters Never Win, Michael Bisping—Britain’s own Rocky Balboa—tells his life story from childhood as a British Army brat to a legendary mixed martial arts career and induction into the UFC Hall of Fame. The ultimate UFC underdog, Bisping fought his way to Number One contender three times, only to be knocked back each time. But he refused to give in, clawing his way to his first World Title shot at the age of thirty-seven—and becoming the first ever British UFC world champion. Bisping offers fresh insights about his fighting career, never-before-told stories about his film and TV career, and a harrowing account of his fighting off attempted kidnappers while filming in South Africa. Loaded with the humor and brutal honesty that first won him a following on the television show Ultimate Fighter 3, Bisping recounts his record setting thirteen-year fight career battling the likes of Anderson Silva, Georges St-Pierre, and Dan Henderson.

AROUND THE WORLD IN A TEACUP Did you know that tea is the most widely consumed beverage on the planet after water? Or that all of the world’s tea originates from only three varieties of a single plant? While a cup of tea may be a simple pleasure for most of us, there are a dizzying number of tastes from which to choose. And every tea, whether a delicately sweet green tea from Japan or a bracing, brisk Darjeeling black, tells a story in the cup about the land that nurtured it and the tea-making skills that transformed it. In this authoritative guide, veteran tea professionals Mary Lou and Robert J. Heiss provide decades of expertise on understanding tea and its origins, the many ways to buy tea, and how to explore and enjoy the six classes of tea (green, yellow, white, oolong, black, and Pu-erh). Additional advice on steeping the perfect cup and storing tea at home, alongside a gallery of more than thirty-fi ve individual teas with tasting notes and descriptions make The Tea Enthusiast’s Handbook a singular source of both practical information and rich detail about this fascinating beverage.
