The concept of Discourse and discourse community is very important in English reading and writing. Discourses are group members’ shared “ways of being in the world” (Gee 484). According to the authors we studied, Porter, Gee, Swales, Johns and Porter, we willingly or unwillingly are part of many different discourse communities or Discourses.

~~Discourse and Discourse community - New York Essays~~
But academic discourse happens everywhere outside of campuses and journals. Most professionals use a form of academic discourse. They just don’t call it that. For writing teachers, the phrase “academic discourse” acts as a shorthand to describe a set of attitudes, habits, and practices.
