My Little Pony: The Art of Equestria presents, for the first time, a deep exploration of the art and illustrations from this beloved animated series, Friendship Is Magic. Beginning with the show 's premiere and taking readers through its fifth season, the book offers an amazing collection of the art and design that bring this wonderful series to life. The book takes readers behind the scenes of the show and explores how favorite characters and the landscape of Equestria came to look as they are today. Beyond the television show,

The majority of us would not necessarily define ourselves as artists. We're parents, students, businesspeople, friends. We're working hard, trying to make ends meet, and often longing for a little more--more time, more love, more security, more of a sense that there is more out there. The truth? We need

File Type PDF The Art Of My Little Pony The Movie

not look around so much. God is within us and he wants to shine through us in a million little ways. A Million Little Ways uncovers the creative, personal imprint of God on every individual. It invites the discouraged parent, the bored Christian, the exhausted executive to look at their lives differently by approaching their critics, their jobs, and the kids around their table the same way an artist approaches the canvas--with wonder, bravery, and hope. In her gentle, compelling style, Emily Freeman encourages readers to turn down the volume on their inner critic and move into the world with the courage to be who they most deeply are. She invites regular people to see the artistic potential in words, gestures, attitudes, and relationships. Readers will discover the art in a quiet

This is the perfect introductory art book for children ages two to six. Author Judy Press introduces children to the use of key materials for creating art, including glue, clay, dough, paint, paper, markers and crayons. There is also a section on collecting and using recycled materials for creating beautiful art work. The book includes more than 80 art projects with introductory poems to stir children's imaginations. The Every child is certain to flourish as little hands are given the freedom to express themselves in the most amazing ways!

Winner of the 2016 Bologna Ragazzi Award, My Little One is a series of sparse and rhythmic images drawn in simple grey pencil, measuring like a

File Type PDF The Art Of My Little Pony The Movie

metronome the boundless love between mother and son. A mother, welcoming her tiny son into the world, tells him the story of their lives, whispering to him as she swings him gently around. With each successive page, he grows while she shrinks, until she is being held by the man he has become. Albertine's weightless strokes and billowing bodies recall the flitting procession of a flipbook or an ephemeral notebook sketch. She choreographs the peculiar dance of aging, of the way our bodies fold, lean, tuck into one another as we grow old. Filled with poetry and questioning, Germano whittles his words down - each precise line reminds us of the pithy goodness of childhood. An eloquent portrait of life's waxing and waning, *My Little One* is a moving celebration of
