The Penguin History of the Church : The Early Church

This first volume of the penguin history of the church looks at the beginning of the Christian movement during the first centuries AD and at the explosive force of its expansion throughout the Roman world. Drawing on recent historical research, Professor Henry Chadwick shows how Christianity had its roots in a synthesis of contemporary ideas and beliefs, and analyses the cause of its persecution under Diocletian, the fanaticism of its martyrs and its bitter internal controversies.

Penguin History of the Church by Henry Chadwick - Paperback

The Early Church, by Henry Chadwick is a good place to start if you are interested in early church history. He does an excellent job describing the issues that were affecting the development of the church from the apostolic age to around 500 a.d. I do have mixed feelings about this book.
