Just as the young emperor Arka-Dal has forged an empire different than anyone ever imagined possible, his old nemesis reappears and launches an invasion from three sides that threatens to topple Thule. At the same time, a hostile nation to the east seizes the opportunity to wrest the Eastern Desert from Thule's control. As Arka-Dal struggles to unite the Valley states together under one banner to drive out the invaders, he is faced with the possibility that the war is just a diversion to keep him from figuring out the Silent One's true goal...obtaining the legendary Books of Alzari that hold the keys to magical powers that would enable the wizard to conquer the world.

In the thirtieth year of his reign, Arka-Dal, Emperor of Thule, and his allies face the darkest threat in human history when the demons from the Abyss try to invade the Earth. To stop them, they must enter the very heart of the Abyss and read an ancient incantation while standing at the sacred altar of the Elder Gods.But the incantation is secreted within the rotting pages of an eons-old book, the only existing copy of which lies hidden in a place that is as deadly as the Abyss itself!Another fantasy masterpiece from the author of The Avenger of Thule and Dark Star Rising.

In this tenth installment of the Thulian Chronicles, Arka-Dal, who is the emperor of Thule, and his friends have to contend with a series of calamities and menaces, any of which could bring the empire tumbling down around their ears. They find themselves battling everything, from invading armies, an insane wizard, beings from another galaxy, ancient curses, and the devil himself. Along the way, Arka-Dal gains an unexpected ally, new wives and discovers his vengeful side. This is a rollicking, wild, roller-coaster ride that is a must-read for fans of the previous nine installments and will also appeal to lovers of high adventure.

Talk about ironic... A horror almost as ancient as the universe itself is stirring after its centuries-long slumber. As it wakes, it sends out millions of demonic Minions who threaten to overrun Hell and destroy all life in their path. The only ones standing between them and Earth are the creatures of the Abyss and another, darker race, that also seeks to escape from the invaders. As they war against each other and the Minions, they are slowly but surely being driven from their homelands. In order to keep Earth from being devoured by the Beast, Arka-Dal and his friends must enter the Abyss and find a way to unite and fight alongside the very demons and monsters he had condemned to fight this eternal war... In short, the Demonslayer now must become the Demon Savior! Chaos Ascendant takes the reader on a wild, action packed ride through tortured landscapes and the lowest planes of Hell itself. It is a must read for all fans of high fantasy and the author's famed Thulian Chronicles series.

In this incredible conclusion to the AVENGER OF THULE and GATES OF DELIRIUM, Arka-Dal leads a coalition force against invaders and forges alliances with prior enemies. It's the final battle in the Great War and the fate of all humankind is at stake. Even if he wins the war, he still must prevent the Silent One from getting his hands on the last of the fabled Books of Alzari. THE GRAND ILLUSION takes Arka-Dal and his friends to their final confrontation with the powerful wizard and has a surprise ending you'll never forget.

Book eight in the New York Times bestselling series Now that the news of Horus's Treachery is in the open, a time of testing has come. Some Legions have already declared allegiance to the Warmaster, while the loyalty of the others lies firmly with the Emperor. As Horus deploys his forces, loyalist Astartes learn that the Wordbearers are sending a fleet to Ultramar, home of the Ultramarines. Unless they can intercept and destroy it, the Ultramarines may suffer a blow from which they will never recover. Battle for the Abyss continues the epic tale of the Horus Heresy, a galactic civil war that threatened to bring about the extinction of humanity.
