Toward "Samson Agonistes": The Growth of Milton's Mind. Book Description: The endurance of a work of art such as Samson Agonistes, this book suggests, derives from its incorporation of the principle of change as the very foundation of its permanence. In a deft and perceptive analysis, Mary Ann Radzinowicz shows how the poem embodies the principle of change, reveals Milton's perpetual concerns, and illuminates the course of his poetic and intellectual development.

Toward Samson Agonistes: The Growth of Milton's Mind ...

Samson Agonistes is a tragic closet drama by John Milton. It appeared with the publication of Milton's Paradise Regained in 1671, as the title page of that volume states: "Paradise Regained / A Poem / In IV Books / To Which Is Added / Samson Agonistes". It is generally thought that Samson Agonistes was begun around the same time as Paradise Regained but was completed after the larger work, possibly very close to the date of publishing, but there is no certainty.
