Designed to supplement the study of United States history.

Bring the action and adventure of U.S. history into the classroom with U.S. History Maps for grades 5 and up! From the ice age to the admission of the 50th state, this fascinating 96-page book enhances the study of any era in U.S. history! The maps can be easily reproduced, projected, and scanned, and each map includes classroom activities and brief explanations of historical events. This book covers topics such as the discovery of America, Spanish conquistadors, the New England colonies, wars and conflicts, westward expansion, slavery, and transportation. The book includes answer keys.

The Mark Twain U.S. History: People and Events 1865-Present social studies book explains the decisions and events of America's past. This American history book for middle school features historic photos, detailed timelines, and profiles of the people who shaped history during that time. U.S. History: People and Events 1865-Present helps middle school students understand how America came to be. This book encourages students to get involved in the learning process by providing: -research opportunities -discussion questions -graphic organizers -map analysis Mark Twain Media Publishing Company creates products to support success in science, math, language arts, fine arts, history, social studies, government, and character. Designed by educators for educators, the Mark Twain Publishing product line specializes in providing excellent supplemental books and content-rich décor for middle-grade and upper-grade classrooms.

Making learning fun and interactive is a surefire way to excite your social studies students. This book includes game-formatted activities for major historical topics. While the goal of these activities is to create excitement and to spark interest in further study, they are also standards based and include grading rubrics and ideas for assessment. Encouraging teamwork, creativity, intelligent reflection, and decision making, the games of Hands-on History Activities will help you take an active approach to teaching while inspiring your students to make their own explorations of history.

The World Geography Quick Starts workbook features a review of general geography terms and map skills, as well as units focusing on the seven continents: Africa, Antarctica, Asia, Australia & Oceania, Europe, North America, and South America. Activities include matching, short answer, true/false, word games, and map activities. Each page features two to four quick starts that can be cut apart and used separately. The entire page may also be used as a whole-class or individual assignment. The Quick Starts Series provides students in grades 4 through 8+ with quick review activities in science, math, language arts, and social studies. The activities provide students with a quick start for the day's lesson and help students build and maintain a powerful domain-specific vocabulary. Each book is correlated to current state, national, and provincial standards. Mark Twain Media Publishing Company specializes in providing engaging supplemental books and decorative resources to complement middle- and upper-grade classrooms. Designed by leading educators, the product line covers a range of subjects including mathematics, sciences, language arts, social studies, history, government, fine arts, and character.

Readers of all ages who enjoy the fast-paced adventures of the Heroes of History series will love this new companion workbook. Parents and Teachers will appreciate the accuracy and attention to detail exhibited in each map. Students will love the easy to use format and engaging illustrations. Everyone will benefit from the new understanding gained from learning about their country.

Home educator Laura Berquist presents a modern curriculum based on the time-tested philosophy of the classical Trivium—grammar, logic and rhetoric. She has given homeschoolers a valuable tool for putting together a "liberal arts" curriculum that feeds the soul, as well as the intellect. Her approach, covering grades K - 12, is detailed and practical, and it is adaptable by parents and teachers to any situation. This third revised edition includes a much expanded section for a high school curriculum, and an updated list of resources for all grades.

Making learning fun and interactive builds excitement for your social studies students. This book includes game-formatted activities for the study of important events in American history such as Medieval Civilizations such as the Byzantine Empire, the Muslim Empire, the Ancient Americas, Asia, Africa, and the Renaissance. These hands-on activities are aligned to state and national standards and supports college and career readiness skills. The hands-on lessons foster engagement, teamwork, creativity, and critical thinking. In addition to history-based lessons, this resource includes grading rubrics and ideas for assessment. The games in Hands-on History Activities will help you take an active approach to teaching while inspiring your students to make their own explorations of history.

History has been taught in a boring way for far too long. A subject as moving and powerful as humanity's past should be inviting, and when it is told well, it is. Susan Wise Bauer succeeds in telling the captivating story of history with her best-selling history series. Parents and young readers have fallen in love with her narrative history, *The Story of the World*, and its accompanying *Activity Book*. Now teachers and home educators can take advantage of a new and valuable learning tool: the *Tests and Answer Key* package. Included are 42 tests: one for each chapter of *The Story of the World*. Perfect for evaluating comprehension and retention. The narrative format of *The Story of the World* helps children remember the famous people, places, and events in history. These tests offer you an easy way to make sure that your child is absorbing the important events from world history. A combination of multiple choice, matching, fill-in-the-blank, and short writing samples allow you to evaluate your child's retention and comprehension of key events in *The Story of the World*. The *Tests* package contains an answer key for all tests. These easy-to-use tests and answer keys, successfully used by hundreds of parents and teachers, provide an objective method for measuring retention of key facts, figures, and events from history. A combination of sequencing, matching, short-answer, and essay-style questions gives students a chance to show what they've learned. Used with *The Story of the World Text Book* and *Activity Book* (sold separately), the *Test and Answer Key* gives educators a complete history curriculum for their elementary school students.
